Dear Mr. Malone

I refer to your letter dated 19 June 2010 and the Agency response to you of 29 June 2010. I would like to further clarify my response to you dated 29 June 2010.

Mr Binman applied to the Agency in July 2008 for a review of the current licence (W0061-02). As part of this licence review a further updated EIS was supplied to the Agency.

The Agency will consider this updated EIS in determining the review application and will request further information from the applicant if considered necessary.

Yours sincerely
