Thank you for your note. I understand you are on a priority project, however the Applicant needs to press ahead with this restoration development. Can you please provide some kind of timeline as to when you intend dealing with this application. The Agency now has this application for 9 ½ months. We are eager to move on this as the planning permission is likely to be granted in the next two months.

I look forward to your response with a timetable with when you intend dealing with this application.

Kind regards

Conor

Conor,

In relation to our phone conversation yesterday and your email below, I appreciate your need for the issue of the waste licence for the Cemex Limited for their facility at Blackhall, Walshestown, Tipperkevin and Bawnoge, Co. Kildare.

However, I am currently otherwise engaged on a priority project.

After this I intend to deal with your application at my earliest opportunity.
