**ENVIRONMENTAL LICENSING PROGRAMME MEMORANDUM**

**TO:** LAURA BURKE, DIRECTOR

**FROM:** Ana Bolger

**DATE:** 21<sup>st</sup> September 2010

**RE:** Clerical Amendment to Waste Water Discharge Licences  
(1) Reg No. D0054-01 (Cobh),  
(2) Reg No. D0129-01 (Passage West/Monkstown) and  
(3) Reg No. D0436-01 (Ringaskiddy Village),  
held by Cork County Council Southern Division

**Introduction**

Cork County Council Southern Division was granted Waste Water Discharge Licences on 20<sup>th</sup> July 2010 by the Environmental Protection Agency for the agglomerations of:

- (1) Cobh (Reg No. D0054-01)
- (2) Passage West/Monkstown (Reg. No. D0129-01)
- (3) Ringaskiddy Village (Reg. No. D0436-01)

The purpose of these clerical amendments (Amendment A) is to rectify a clerical error on page 4 of these licences. In Paragraph 2, line 5 under heading "Decision & Reasons for the Decision", the word "objections" should read "objectives".

**Recommendation**

I recommend that the licence amendments be approved as set out in the attached recommended Clerical Amendments. This is provided for under Regulation 33(1)(a) of the Waste Water Discharge (Authorisation) Regulations, 2007. Such amendments do not result in the relevant requirements of Regulation 6(3) of the Waste Water Discharge (Authorisation) Regulations, 2007 ceasing to be satisfied.

Signed
