30 July 2010

Reg. No. W0254-01

re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Mr Wall,

I am to refer to the above referenced application for a waste licence relating to a facility at Cemex (ROI) Limited, Walshestown, Blackhall, Tipperkevin and Bawnoge, Naas, Co. Kildare. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 and Article 13 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

1. Provide all revised information under *Section H: Materials Handling* of the application form to reflect the proposed changes to the amount of waste to be accepted at the site over its lifetime.
2. Provide a timeframe for the replacement of the existing on-site septic tank with a new wastewater treatment system. Provide the operational details of this new system.
3. Provide details on the procedure for the control and management of rain water ingress into the landfill body.
4. Provide information on the amount and the type of waste that has been placed on site since the start of the disposal activities to date. Provide a drawing showing the areas where the waste disposal took place.

5. Provide all revised elements of the EIS referred to in your correspondence dated 12<sup>th</sup> January 2010.

Your reply to this notice should include a **revised non-technical summary** which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply all requested information in the form of a one (1) original plus one (1) copy in hardcopy format within four weeks of the date of this notice. In addition submit two (2) copies of the requested information under points 1 to 4 and sixteen (16) copies of the requested information under point 5 in electronic searchable PDF format on CD-ROM. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is **W0254-01**. Please direct all correspondence in relation to this matter to Administration, *Licensing Unit, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

---

**Ewa Babiarczyk**  
Inspector  
Office of Climate, Licensing & Resource Use
