Dear Mr Coffey,

I am to advise you in accordance with the provisions of Regulation 7(5) of the Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations 2008, that the Agency will not, because of the complexity and nature of the information to be considered, issue a draft certificate of authorisation within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the application before 31 January 2011.

Yours sincerely
