Re: Waste licence register number W0231-01

Dear Mr Lunney,

I refer to your letter dated 10 July 2010 requesting a review of waste licence register number W0231-01. I am to advise that the Agency does not at this time intend initiating a review of said waste licence. There is no new information available to the Agency that it did not have at the time a decision was made on the licence.

Yours sincerely,

Frank Clinton

Programme Manager
