**Your refs: Register No. P0153-05 – Transfer, Register No. P0395-02 –
Transfer, Register No. P0652-01 - Transfer**

Dear Ms. Sullivan & Ms. Leacy:

Further to telephone discussion held between Wyeth Medica Ireland (WMI) personnel (Edward Molyneaux) and Agency Inspector Gavin Clabby on 10/11/10 the following is a summary of an update provided on the above Applications for Transfer of an IPCC Licence:

- Pfizer have now identified the transferee to whom the licences will be transferred. While it is a new corporate entity to whom the ownership of the facilities is being transferred, the entity is nonetheless a Pfizer subsidiary. Based on our discussions, it appears necessary to transfer the current Pfizer IPPC licences as well as those held by AHP.
- As before, the transfer is a "technical" transfer and everything will remain as it is currently on the ground as regards management and operations of the facilities.
- The new transferee is a straightforward corporate entity - Pfizer (New PIP) Holdings. This unlimited company has just been incorporated¹. Its parent is Pfizer Ireland Ventures² which, in turn, is beneficially owned by CP Pharmaceuticals International CV³. This last entity is a major holding company in Europe for much of Pfizer's assets.
- It is intended that immediately after or at the same time as the transfer, an application for a change of name of Pfizer (New PIP) Holdings to "Pfizer Ireland Pharmaceuticals" will be made. This cannot be done now as an entity with that name currently exists. We would like to emphasize that this will be a change in name only.
- In the case of Newbridge, Grangecastle and Askeaton, the Transferor will be AHP Manufacturing B.V. (as before) – only the Transferee will change.
- In the case of the other Transferees, these are:

¹ Registered No. 490938.

² A Private Unlimited Company with share capital [Registered No. 331419].

³ C.P. Pharmaceuticals International C.V. is a limited partnership (*commanditaire vennootschap*) formed and established under the law of the Netherlands and for all purposes represented by and acting through its general partner, Pfizer Manufacturing LLC, a company organized under the laws of the State of Delaware, United States of America, with an address at 235 East 42nd Street, New York, New York 10017, United States of America, and Pfizer Production LLC, a company organized under the laws of the State of Delaware, United States of America, with an address at 235 East 42nd Street, New York, New York 10017, United States of America., in their capacity as general partners of such C.V.

Newbridge, Co. Kildare, Ireland Telephone: (045) 447000 Facsimile (045) 434113

- Little Island [P0136-04] - Pfizer Overseas Pharmaceuticals (having changed its name to Pfizer Ireland Pharmaceuticals) and C.P. Pharmaceuticals International C.V. (a limited partnership represented by and acting through Pfizer Manufacturing LLC and Pfizer Production LLC) trading as Pfizer Ireland Pharmaceuticals.
 - Pottery Road [P0019-02] - ditto
 - Ringaskiddy [P0013-04] - ditto
 - Shanbally [P0864-01] - Pfizer Biotechnology Ireland
 - Little Island [P0103-02] - Pfizer Cork Limited
- It is intended that the transfers will take place by the end of January 2011.
 - It is intended that any support for financial assurances that may be required will be given by CP International CV which is a very significant holding company within Pfizer.

Trusting this is to the satisfaction of the Agency. Should you, however, have any queries please do not hesitate in contacting me.

Yours sincerely,

Dr. Michael Donlon
