**Environmental Protection Agency**  
Acts 1992 to 2007

Notice under Article 25 of the EPA (Licensing) Regulations 1994 to 2010

Following the decision to review the existing IPPC licence (Reg. No. P0606-02) granted to Endesa Ireland Limited (Great Island), Endesa Ireland, 3 Grand Canal Plaza, 5th Floor, Grand Canal Street Upper, Dublin 4, located at Great Island Generating Station, Campile, New Ross, County Wexford, National Grid Reference E2689N1145. On the 17th November 2010 the Agency proposed to grant a revised licence, subject to conditions (Reg. No. P0606-03), for Class 2.1: The operation of combustion installations with a rated thermal input equal to or greater than 50MW. An objection by any party must state the grounds for objection and be accompanied by the appropriate fee and be received in the Office of Climate, Licensing & Resource Use, EPA Headquarters, P.O. Box 3000, Johnstown Castle Estate, Co. Wexford by 5pm on 14th December 2010. Any person making an objection may request an oral hearing of the objection. A request for an oral hearing must be accompanied by the appropriate fee and be received, in writing, at the above address by 14th December 2010. The proposed licence may be inspected at the above address (Tel: Lo Call 1890 33 55 99 or 053-9160600) or obtained there on payment of a fee of €3.80. It is also available to view on the Agency's website [www.epa.ie](http://www.epa.ie).
