Re: Waste licence application by Cavan County Council in respect of a facility at Corranure Landfill, Lismagratty & Corranure Townlands, Cootehill Road, Cavan, County Cavan

Dear Mr McKeever,

I am to acknowledge receipt of your correspondence to the Agency dated 20th January 2011 received on 26th January 2011, in relation to the above referenced waste licence application.

I refer to the Agency's notification to you on 15 December 2010 informing you of its proposed decision on the above application. The proposed decision sets out the requirements in relation to objections in accordance with the Waste Management Acts, 1996 to 2010 and associated Regulations.

I am to advise that, as the application process has reached the stage where the Agency has made its proposed decision, the Agency is prohibited from considering any objection which does not fulfil the requirements of Section 42 of the Waste Management Acts, 1996 to 2010. As your correspondence does not fulfil those requirements, for the reasons set out below, the Agency cannot consider it and consequently it is returned herewith.

Section 42(3) of the Acts

Objection received after the expiration of the appropriate period, i.e. 20/01/2011

Section 42(4) of the Acts

Objection not accompanied by the appropriate fee, i.e. €100.

It should be noted, however, that the Agency is committed to openness, fairness and transparency in its decision making process and I can assure you that you will have access via the Agency's website to all documentation in relation to this licence application including the report and recommendations of the technical committee (if valid objections are received in relation to the proposed decision) and the final decision of the Agency.

The Agency will notify you of its final decision on the waste licence application in due course.

Yours sincerely,

Marie Fay
Programme Officer
Office of Climate, Licensing & Resource Use
