Re: Withdrawal of a request for a review of the existing Waste Licence Reg. No. W0146-02 for Knockharley Landfill, Knockharley, Kentstown, Co. Meath.

Dear Mr O'Sullivan

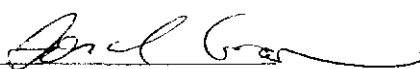

I am to refer to your application for a review of the existing Waste Licence Reg. No. W0146-02 received by the Agency on 24<sup>th</sup> December 2008. Following discussions between the Agency and Fehily Timony & Company, on behalf of Greenstar Holdings Ltd., it is the opinion of the Agency that the application referred to above is not reflective of the proposed changes to operations at the facility and that the application should be withdrawn.

I am to advise that in order to withdraw a licence application, a formal request, under Article 21 of the Waste Management (Licensing) Regulations 2004, for such a withdrawal must be submitted to the Agency. Following receipt of such a request, the issue of a refund or waiver of 50% of the application fee will be considered by the Board of the Agency in accordance with Article 45(1) of the Regulations.

Article 45(1) of the Waste Management (Licensing) Regulations 2004 states: "*the Agency shall have an absolute discretion to refund or waive up to half of any fee payable in respect of a particular application where it is satisfied that the payment in full of the fee would not be just and reasonable having regard to the relevant circumstances of the activity*".

I trust that this clarification assists. Please direct all correspondence in relation to this matter to Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, Co. Wexford quoting the register number.

Yours sincerely,

  
Donal Grant
