RE: Withdrawal of Waste Licence Review application W0146-03 in Accordance with Article 21 of the Waste Management (Licensing) Regulations 2004

Dear Sirs

I refer to the waste licence review application submitted by this office on behalf of our client Greenstar Holdings Ltd. on December 23rd 2008. I also refer to recent correspondences from the Office of Climate, Licensing & Resource Use Dated 23rd February 2011.

Greenstar understands that, apart from acknowledgement of receipt of documentation and change of the Reg. No., processing of the application has not proceeded. Seeing as, on behalf of our client, we are about to lodge another waste licence review application for the same site it seems logical and practical that we now withdraw the application lodged on December 23rd 2008.

Therefore, on behalf of our client, Greenstar holdings Ltd, we wish to withdraw the said application. We understand that, as a matter of course, when an application is withdrawn without it being processed by the Agency, our client is entitled to a refund of up to 50% of the fee submitted. We thus respectfully apply, on behalf of our client, for the refund.

We also ask you to note in advance that, when submitting the forthcoming review application, we will ask the Agency to take into account the remaining 50% of the 2008 fee and effectively waive part of the forthcoming application fee.

If you require any further information, Please contact the undersigned or Ms. Margaret Heavey, Head of Strategic Planning, Greenstar Ltd, Ballyogan Road, Sandyford, Dublin 18.

Yours faithfully

Declan O'Sullivan
