Reg No: P0914-01

Dear Mr Sweetman,

I refer to your correspondence dated 16/03/2003 in relation to the application by Westland Horticulture Limited for an IPPC licence (Reg. No. P0914-01).

While I cannot identify your reference to 'SIS', I can confirm that no specific advice has been provided to the applicant regarding the sedimentation ponds, save to ensure their design conforms to the Agency's draft Batneec guidance note for the Extraction of Peat.

If you have any further queries please contact John McEntagart at the number above.

Yours sincerely

**John McEntagart**
