re: Withdrawal of a waste licence application in respect of Monopower Limited for a facility at Killycarran, Emyvale, County Monaghan, Register No. W0226-01, in accordance with Article 21 of the Waste Management (Licensing) Regulations.

Dear Managing Director,

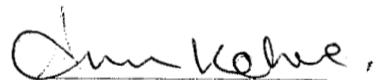

I am to refer to the Agency's letter of 14th January 2011 in accordance with Article 21(2) of the above Regulations. The Agency notes that you have not responded to its letter and hereby informs you that your application is considered to be withdrawn.

That being the case, it is no longer the function of the Agency to consider any documentation received by it which relates to the above application.

The Agency has informed Monaghan County Council, who is the appropriate enforcement authority, of this and that your application is withdrawn (see copy attached).

It should be noted, for future reference, that it is an offence liable to prosecution to carry on an activity which requires a licence from the Agency, in the absence of such a licence.

Yours sincerely,

Ann Kehoe
Programme Officer
Office of Climate, Licensing & Resource Use
