Dear Mr. Clinton,

I refer to your letter of the 11th instant.

I am very surprised that after all this time there should be a view that a licence under another heading is required. This matter was agreed before the application, years ago. A €10,000 fee was given to EPA at that time.

I propose meeting with you to discuss this. I will be available on several days during the first half of May – I live in Switzerland and am outside Ireland much of the time. Please give me a couple of dates that suit you. We can meet in either your Dublin or Monaghan offices, the latter would be more convenient for me.

Yours sincerely,
