Re: Application for the transfer of the above licence, submitted on the 27th April 2011.

Dear Mr. Dowling

In accordance with Section 94(3) of the EPA Acts 1992 to 2007, the Agency requests you submit the outstanding information in relation to Fit and Proper Person as prescribed for Attachment C in the Agency's **current** Transfer of Licence application form (Version 3), which is available for download from the Agency's public website, www.epa.ie.

In particular the Environmental Licensing Programme requires that, to complete your application, the transferee must have written approval from the Office of Environmental Enforcement (OEE) for Financial Provision. No indication was given in the application form as to the status of any OEE approval. In any case, please liaise with the relevant OEE Inspector to have this arranged.

We request that you submit this information to the Agency as soon as possible. The Agency also wishes to remind you that the licence cannot be transferred without this information.

Please note that the licence register number is P0039-02. Direct your response (and all correspondence in relation to this matter) to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Gavin Clabby
Inspector
Office of Climate, Licensing & Resource Use
