Subject: Country Clean Recycling Ltd WO 257-01 Request for Additional Information

Dear Mr. Huskisson

With regards our telephone conversation today, about the correspondence we received from the EPA dated 11-April-2011 requesting additional information for Country Clean Recycling Ltd waste license application (WO 257-01), please note that we have been held up with regards carry out the requested odour dispersion modelling assessment. We therefore would be grateful if you would agree to allowing us an extension of two weeks beyond the 1st of June to reply in full to the requested information.

I trust that this is okay.

Kind Regards,

Flor Crowley
