Registrar of Companies

Companies Act, 1963, Sec. 370.

ATTACHMENT B.2 SITE LAYOUT MAPS

The site is located within the existing Roadstone Wood Ltd. quarry site at Mullaghcrone, Donore, Co. Meath. The existing site is located in the townlands of Platin and Cruicerath, which is approximately 1 km southeast of Donore Village, County Meath (OSI Grid Reference E 30530, N 21715).

*For inspection purposes only.
Consent of copyright owner required for any other use.*

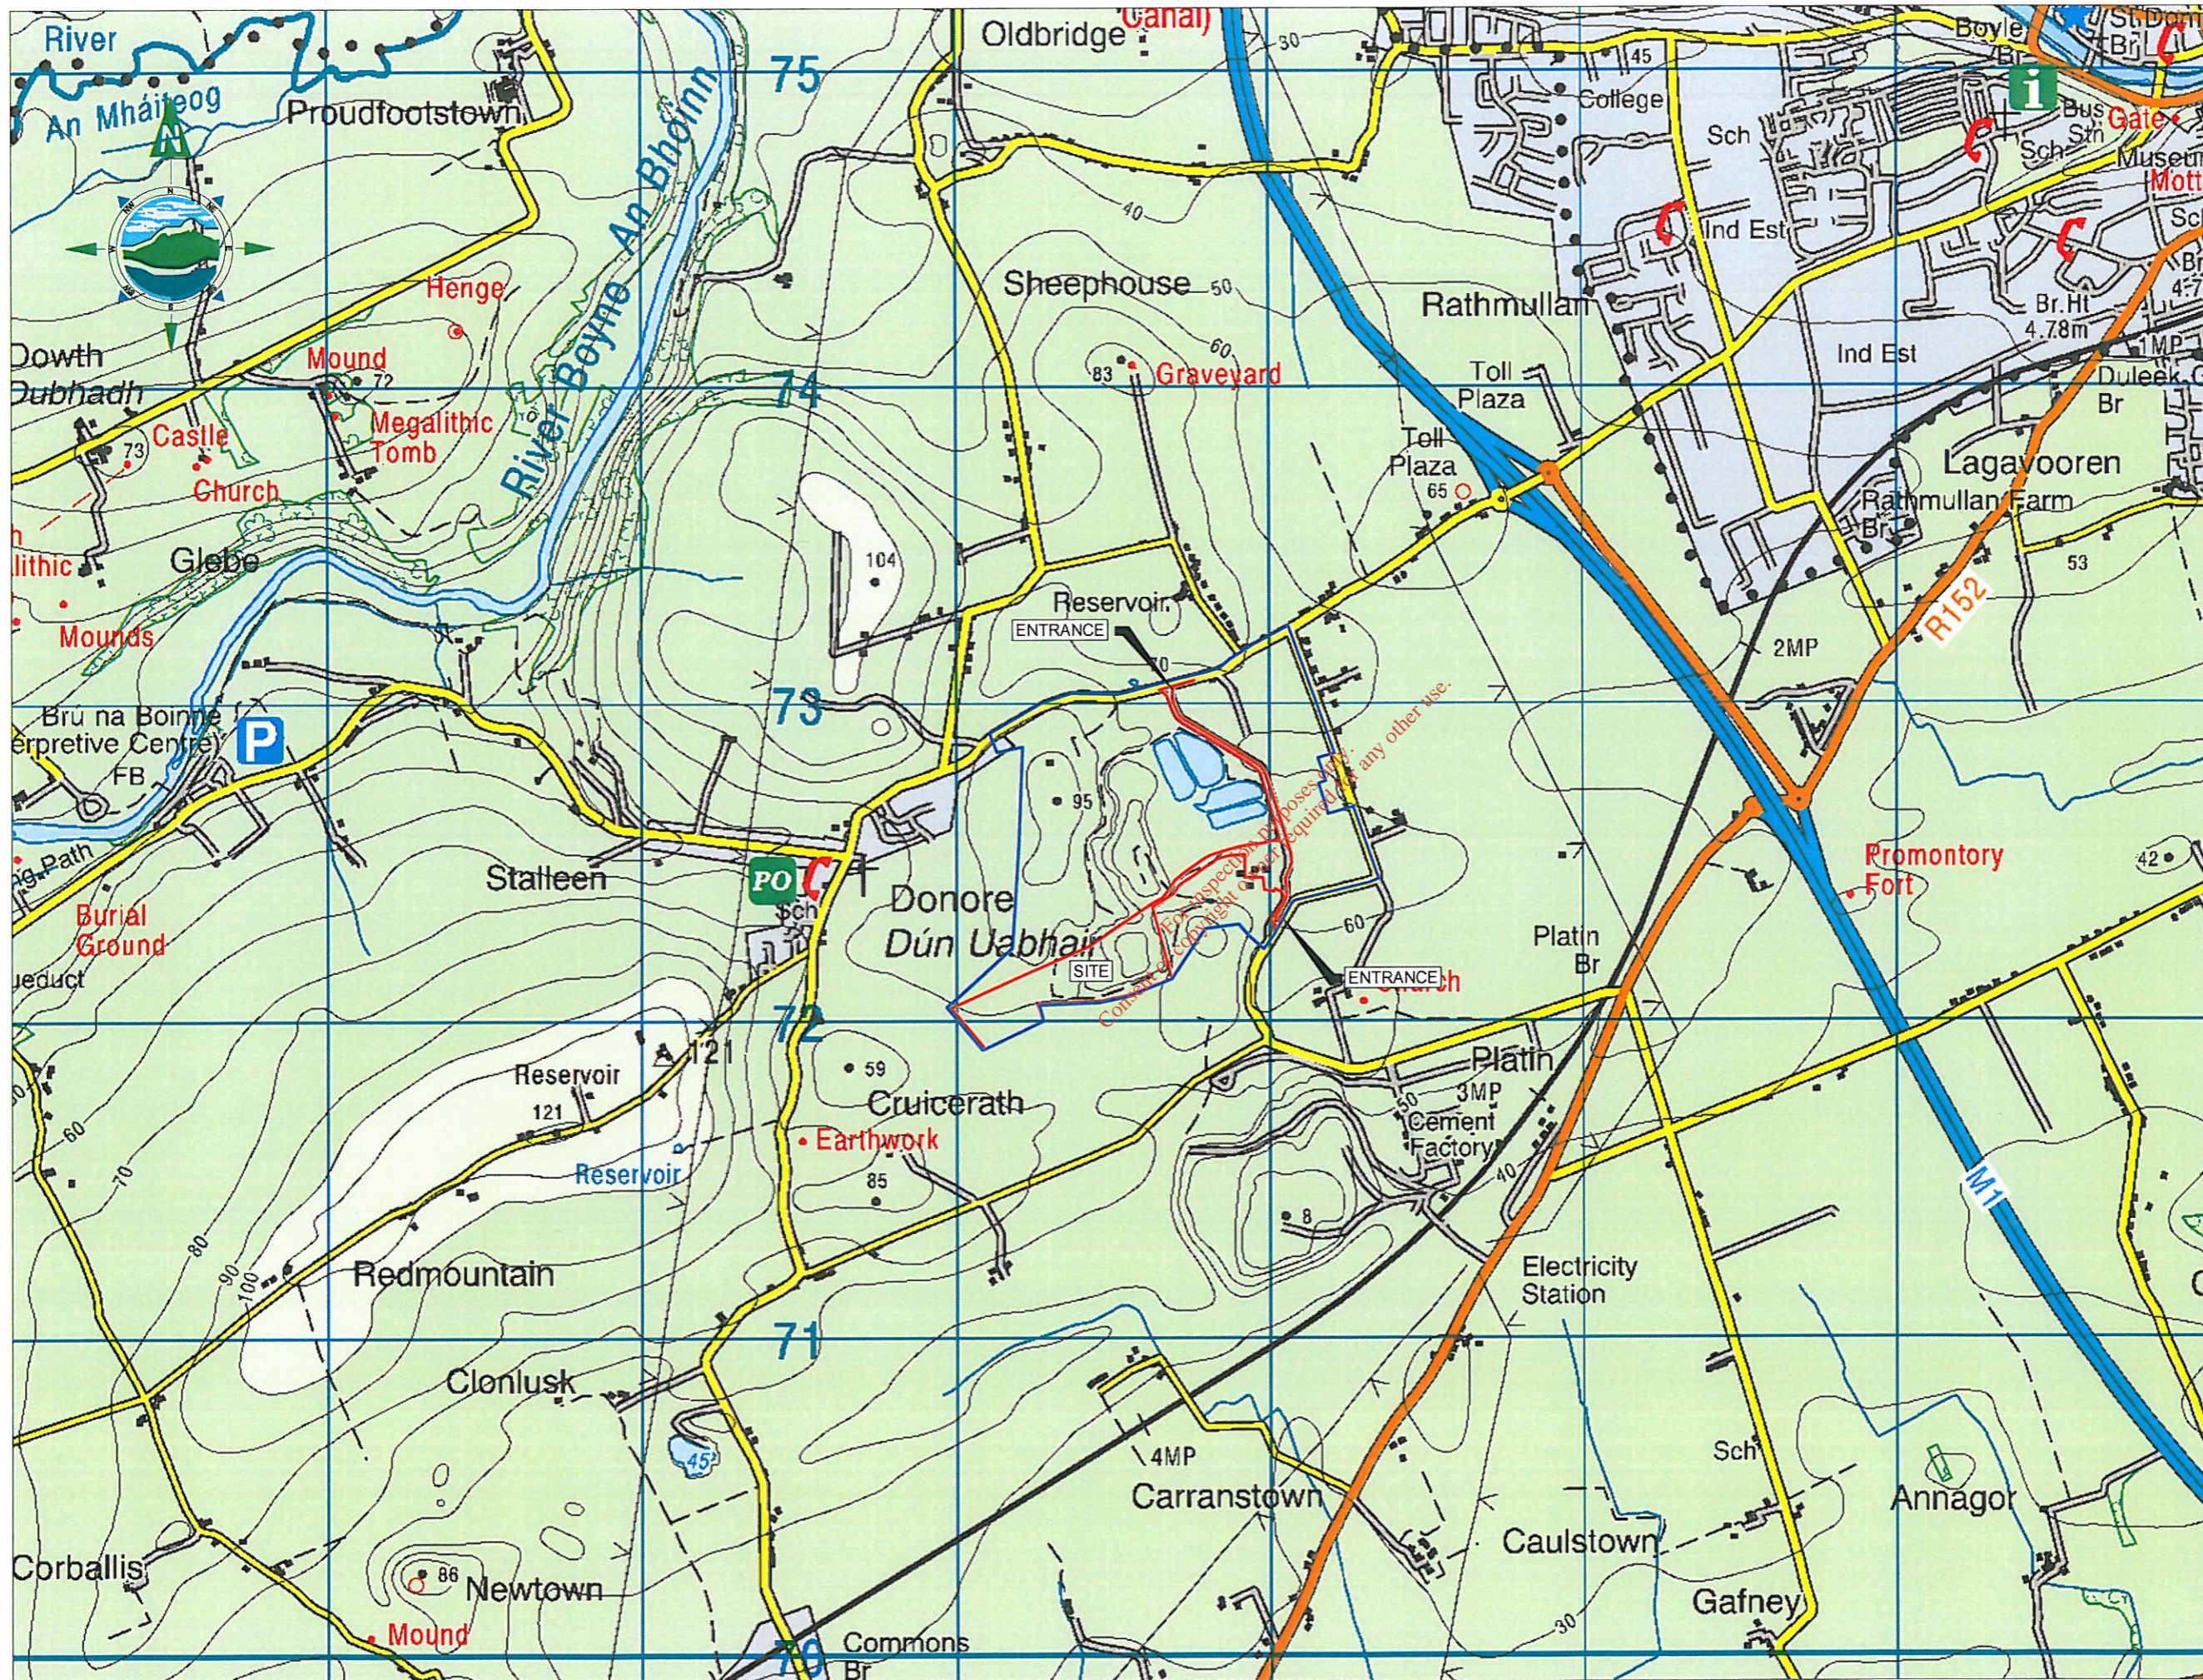

- (a) The Location Map ($\leq A3$) should be to a scale appropriate to the size of the facility. It should include details of buildings, roads, rivers, canals, railway lines, overhead power cables, public and private wells within 500 metres of the site boundary.
- (c) The Services Plan ($\leq A3$) should be to a scale appropriate to the size of the facility. It should include details of all underground services, existing and planned, within 250m of the site boundary.
 - (d) The Site Restoration Plan ($\leq A3$) should show the final contours and profile of the site post-restoration. The Plan should show any final landscaping works proposed for the site and any monitoring points which may remain in use post-completion of infilling works (e.g. groundwater wells).
 - (e) Cross Sections of the site should be submitted showing the existing and final proposed topographical levels and contours. The maximum and average fill depth for the site should be identified.

1.1 B.2 LOCATION OF ACTIVITY

The address and location of the premises where the licensable activity is being or will be carried on must be provided. A grid reference for the premises must also be provided. The location to which the grid reference relates to must be shown on a drawing ($\leq A3$) of appropriate scale

A site topographical survey should be carried out by a competent surveyor, and the survey drawings included with the licence application.

The following drawings should be supplied. All copies of the application submitted to the Agency must have these drawings individually coloured.
