**Re: Notices in accordance with Regulation 25(c)(ii) of the Waste Water  
Discharge (Authorisation) Regulations 2007**

Dear Ms. Maxwell,

I refer to yours relating to applications for waste water discharge certificates of authorisation relating to agglomerations named **Cecilstown ( A319 01 )** and **Lombardstown ( A0327 – 01 )**.

Cork Co Co has agreed to purchase a site for a new wastewater treatment plant adjoining the existing septic tank site at Lombardstown. €50,000 is allocated in the current capital budget to pay the balance of the cost of the site. It is anticipated that tenders will be invited for a new treatment plant on the site in 2012/2013 subject to availability of funds through the Rural Water Programme.

It is proposed to install a Ferric Sulphate dosing unit at Cecilstown Wastewater Treatment Plant before the end of 2011.

Regards

Paddy O' Friel  
Substitute Senior Engineer
