Dear Mr Ryan

I refer to the Article 8 notice issued to you on the 12th January 2011, in relation to the site notice and newspaper notice requirements of your application for an Integrated Pollution Prevention and Control licence. A response to this notice was required by the 12th February 2011. It is noted that such a response has not been submitted.

The requested information should be submitted to the Agency within 1 month of the date of this notice, in order to allow the Agency to process and determine your application. If you fail to do so, the Agency may be of the opinion that your application for a licence has been abandoned, and will notify you as such in accordance with Article 24 of the Environmental Protection Agency (Licensing) Regulations, 1994 (as amended).

In the circumstances, you should make immediate arrangements to have the required document(s) (1 signed original and 1 copy in hardcopy format, and 2 copies of all files in electronic searchable PDF format on CD-ROM) submitted to the Agency without delay. Your response to this request should be directed to Grainne Oglesby, Administration Officer, Office of Climate, Licensing & Resource use.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact Ms Pamela McDonnell at the number above.

Yours sincerely

Pamela McDonnell
