Re: Waste Licence– Greenstar Holdings Limited, for a facility located at Knockharley Landfill, Knockharley, Navan, (Includes Townlands of Tuitearath & Flemingstown), Co. Meath.

Dear Mr. Jones,

I refer to your waste licence review application, reference number W0146-03, in respect of the above referenced facility which was withdrawn on 29/06/2011. I refer in particular to your application dated 18/03/2011 for a part refund in accordance with Article 45(1) of the Waste Management (Licensing) Regulations of the fee payable to the Agency in respect of the above referenced application.

Having regard to the Article 45(1) of the Regulations and the fact that no recommendation or decision on the licence application had been reached prior to your request to withdraw the application, the Agency has decided that it would not be just and reasonable to require the payment in full of the application fee.

I am to advise that the Agency has decided to grant a refund of 50% of the application fee i.e. €15,500.

Arrangements are being made to have a cheque for €15,500 forwarded to you in due course.

Should you decide to apply for a review of your existing licence W0146-02, the Agency has decided to grant you a 50% waiver of the fee payable.

Yours sincerely,

Máire Buckley
Programme Officer
Office of Climate, Licensing & Resource Use
