Subject: FW: Country Clean Recycling Ltd WO 257-01 Request for Additional Information

Dear Mr. Huskisson

With regards our telephone conversation last Wednesday the 15<sup>th</sup> of June. We have employed the services of Odour Monitoring Ireland of Unit 32 De Granville Court, Dublin Rd, Trim, Co. Meath, to carry out Odour Modelling as required in the additional information request from the EPA (11-April-2011). However Odour Monitoring Ireland has indicated that it will be the middle of July before they have the required report carried out. Therefore as agreed over the phone Country Clean Recycling Ltd will submit their response in full to the additional request as soon as possible after it has received the final odour modelling report from Odour Monitoring Ireland. I trust that this is okay.

Kind Regards,

Flor Crowley
