Dear Mr. Leech

I refer to the application for the Transfer of a licence submitted to the Agency on 14th June 2010 from Midland Waste (Licencee) to Advanced Environmental Solutions (Irl) Ltd. (Transferee).

So as to progress with the assessment of your joint application and in accordance with Sections 47(4) and 53(1) of the Waste Management Acts 1992 to 2010, the Agency requires that you submit the following information:

- Letter of agreement from OEE for the monies/securities required for the liabilities arising from an approved risk assessment of the licensed activities on the site;
- Letter of agreement from OEE for the monies/securities required for the costs associated with the closure and remediation of the site;
- Letter of agreement from OEE regarding the financial provisions that the proposed Transferee is making for the liabilities, and the closure and remediation costs referred to above.

Please liaise with your OEE Inspector to have these arranged. We request that you submit this information to the Agency by the **30th April 2011**. The Agency wishes to inform you that the licence cannot be transferred without this information.

Please note that the licence register number is W0131-02. Please direct your response (and all correspondence in relation to this matter) to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,
