Re: Notice of extension of period for consideration of objections to the proposed determination on a review of an IPPC licence application by Shell E&P Ireland Limited located at Bellanaboy Bridge Gas Terminal, Bellanaboy Bridge, Bellagelly South, County Mayo

Dear Ms. Moran,

I refer to the objections to the Agency's Proposed Determination on the above referenced review of an IPPC licence application.

I am to notify you in accordance with the provisions of Article 40(1) of the Environmental Protection Agency (Licensing) Regulations, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objections, to carry out the procedures for the consideration of the objections within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objection/s before 09<sup>th</sup> January 2012.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,

Máire Buckley  
Programme Officer  
Office of Climate, Licensing & Resource Use
