re: Withdrawal by Monopower Limited of a waste licence application in respect of a facility at Monopower Limited, Killycarran, Emyvale, County Monaghan, , Register No. W0226-01, in accordance with Article 21 of the Waste Management (Licensing) Regulations.

Dear Mr McCarron,

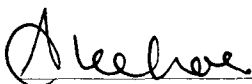

I am to refer to the Agency's letter of 1st September 2011. The Agency notes that you have not responded to our letter and hereby inform you that your application is considered to be withdrawn.

That being the case, it is no longer the function of the Agency to consider any documentation received by it which relates to the above application.

The Agency has informed Monaghan County Council, who are the appropriate enforcement authority, of this and that your application is withdrawn.

It should be noted, for future reference, that it is an offence liable to prosecution to carry on a waste activity which requires a waste licence in the absence of such a licence.

Yours sincerely,

Ann Kehoe
