Re: IPPC Licence Reg. No. P0395-02, Financial Assurance from Pfizer Inc. with regard to
Pfizer Nutritionals Ireland Limited (PNIL).

Dear Ms. McDonnell:

I refer to the Financial Assurance which Pfizer Inc. has provided in respect of PNIL and which it is intended, will come into effect upon the transfer of the above IPPC Licence to that company by the current licence holder Pfizer Ireland Pharmaceuticals (PIP).

The treasury department of Pfizer Inc. have requested that we obtain confirmation from the Agency that, upon the transfer of the IPPC Licence to PNIL and the coming into force of the new Financial Assurance in respect of that company, the old Assurance in favour of PIP will be released in accordance with its terms. It would also seem appropriate that the original of that Assurance be returned to Pfizer.

We trust that this is acceptable and we look forward to hearing from you in this regard.

Yours sincerely,

Brian Shiel
EHS Lead
