### Re. Waste Licence Application Ref. W0129-03

Dear Ms. Burke,

I am writing to you in relation to an application for a waste licence lodged by Murphy Environmental Hollywood Ltd. (MEHL) for an integrated waste management facility at Hollywood Great, Nag's Head, Naul, Co. Dublin. This site is currently an EPA-licensed inert landfill (licence ref. W0129-02).

We would like to express our disappointment at the apparent slow rate of progress in relation to the assessment of the application (ref. W0129-03).

The application was lodged with the Agency on the 17<sup>th</sup> December 2010, exactly one week after a planning application was lodged with An Bord Pleanála, under the provisions of the Planning and Development (Strategic Infrastructure) Act 2006. As the Agency is aware, planning permission was granted by An Bord Pleanála on the 16<sup>th</sup> June 2011.

We are conscious of the resourcing demands placed on your organisation; however you will also be aware of the commercial realities of progressing a significant waste infrastructure project and the need for timely delivery of key milestone dates.

We trust that we have provided the Agency with the necessary information to progress your assessments and seek your assistance in expediting all of the necessary requirements.

Yours sincerely,

Patricia Rooney  
Director & General Manager, MEHL
