## Subject:

Objection to Waste Licence Application 140-04 in respect of Nurendale Limited trading as Panda Waste Services Limited at Rathdrinagh Beauparc, Navan, Co. Meath.

## Objection Summary:

I, the undersigned, object to the proposals outlined in licence application 140-04 and subsequent amendments including construction and operation of a Dry Fermentation building (Shed 4), Refuses Derived Fuel (RDF) processes (Shed 3), Bio-mass furnace, associated gas production processes, Combined Heat and Power (CHP) generators and ancillary works.

The objections to the proposals are based on the impacts to food safety from toxic substances and infectious disease emissions, in an unsuitable agricultural area, resulting in potential impacts to farm incomes, Irish food exports and the health and safety of the local community.

The objections are also based on lack the of environmental statement for new unproven technologies, potential damage to the Lougher and Boyne river, fire and explosion risks associated with Bio-gas production, increased traffic hazards, odour pollution, noise pollution, litter, pests and impact on the Boyne Valley amenities and tourism impacts.

**Request:** I, the undersigned, request that the Environmental Protection Agency refuse licence application reference 140-04 from Panda Waste Services Limited.
