Re: W0253-01 Clean (Irl) Refuse and Recycling Ltd

Dear Ms Behan,

I refer to your letter dated 16 November. I would note in relation to the waste licence application from Clean (Irl) Refuse and Recycling Ltd that most recently additional information was received on 8 September 2011. The application was deemed to be compliant with the Waste Management (Licensing) Regulations and the applicant was so notified on 16 November 2011. I am to inform you that all licensing work is being progressed as quickly as possible but we are working under resource constraints that inevitably impact on our throughput of applications. I can assure you that the application of Clean (Irl) Refuse and Recycling Ltd is being actively progressed and it is anticipated that a recommendation will be put to the Board either in 2011 or early 2012.

Yours sincerely

Brian Meaney
