Re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Mr. Crowley,

I am to refer to the above referenced application for a waste licence relating to a facility at Country Clean Recycling Ltd, Churchfield Industrial Estate, John F. Connolly Rd, County Cork. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 and Article 13 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

#### **ARTICLE 12 AND ARTICLE 13 COMPLIANCE REQUIREMENTS**

1. Clarify the maximum quality of kitchen and canteen food waste proposed to be accepted at the facility per annum. Provide details of the measures proposed to minimise odour generation from this waste.
2. Provide a copy of written confirmation from the Planning Authority that the proposed changes to the operation of the facility, as outlined in the Article 12 & 13 information received by the EPA on 25<sup>th</sup> October 2011 (i.e. (i) the proposed processing of mixed municipal waste by trommelling, shredding and ballistic separation and (ii) the acceptance of kitchen and canteen food waste), does not require planning permission.

Your reply to this notice should include a revised non-technical summary (Application Form and EIS) which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

**Please supply the information in the form of a one (1) original plus one (1) copy in hardcopy format by 23<sup>rd</sup> December 2011. In addition submit sixteen (16) copies of the requested information to the Agency in electronic searchable PDF format on CD-ROM. Please note that all maps/drawings should not exceed A3 in size.**

Please note that the application's register number is **W0257-01**. Please direct all correspondence in relation to this matter to Administration, *Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,
