Dear Mr. Meaney (EPA Inspector),

As principal in the above school I wish to raise concerns re Waste Licence Application W0140-04 in respect of Nurendale Limited trading as Panda Waste Rathdrinagh Beauparc Navan Co. Meath. Our school has 75 pupils and is located in the townland of Knockcommon approximately one kilometre ENE of the proposed development.

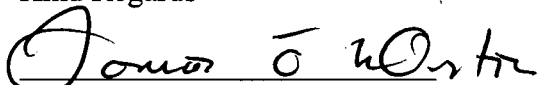

I would be most grateful if you could allay my fears in relation to hazard and assist in assessing risk regarding

- Dioxins
- Pollution to local river Lougher which runs directly into the river Boyne
- Noise Levels
- Odour
- Fire /Explosion

Furthermore, I would welcome information on the monitoring regime stipulated during the construction of the proposed development and the extent and nature of continuous monitoring obtaining to same, if and when the development is up and running.

As you will appreciate the health and safety of the pupils in my care is paramount.

Kind Regards
