Dear Mr Shiel

I refer to the review of your Integrated Pollution Prevention and Control (IPPC) licence, which was initiated on 28 July 2011.

I am to advise that in accordance with the provisions of Section 90(7) of the EPA Acts 1992 to 2011, you are requested to supply the following additional information so that the Agency may complete a comprehensive assessment:

1. Provide a copy of the monthly monitoring returns, for the previous 12 month period, for the discharges from the SW1 monitoring point.

In the circumstances you should make immediate arrangements to have the required information (1 signed original, 1 hardcopy and 2 copies of all files in electronic searchable PDF format on CD-ROM) submitted to the Agency without delay. Your response to this request should be directed to Sonja Smith Administration Officer, Office of Climate, Licensing & Resource Use.

It should be noted that where there is failure to comply with the above requirements **within three weeks of this notice**, the Agency may proceed with its consideration of this review in the absence of the information requested.

Yours sincerely,

Yvonne English
