Subject: Monaghan 500 to 1,000 p.e. WWTP

Dear Mark/Siobhan

I note from the Section B.6 of your application that Part 8 planning permission and EIS were not required for:

1. D0473-01, Doohamlet WWTP
2. D0463-01 Knockaconny WWTP
3. D0464-01 Smithboro WWTP

Would you please provide confirmation from the planning Authority as to whether planning permission was granted or not required?

If planning permission was granted, would you please provide:

- Details of the planning permission, including reference number and conditions attached to the permission.
- Confirmation from the Planning Authority that, in the grant of planning approval, no Environmental Impact Statement was required in relation to the waste water treatment plant?

If planning permission was not required, would you please justify as to why no planning permission was required for the waste water treatment plant.

Would you please provide confirmation from the Planning Authority that, in grant of planning approval, no Environmental Impact Statement was required in relation to D0435-01 Ballinode and D0494-01 Scotstown waste water treatment plants?

Regards
Jennifer Cope
