Re: ADPower Roscommon Limited
Application for a Waste Licence – Register No. W0274-01

Dear Ms Bolger

A copy of your letter of 28th October 2011, addressed to our client Mr Kevin Flynn, has been passed to us for attention and reply.

We have been instructed by our client to write to you to confirm, for the avoidance of any doubt, that the contact details of ADPower Roscommon Limited, set out in our client's previous correspondence with Mr Brian Meaney on 25th October 2011, are correct, and may be used in any future communication with the company.

An application to register a change in the situation of the registered office of the company has previously been lodged with the Companies Registration Office.

We trust that this is sufficient for your purposes. However, please do not hesitate to contact Dara Callaghan of this office if we can be of any further assistance.

Yours faithfully

O'Dowd.
