19th January 2012

Reg. No. W0274-01

Dear Mr. Flynn

I refer to your letter of 9th January 2012, received by the Agency on 11th January 2012.

I am to advise that the information received by the Agency from you, dated 25th October 2011, contained a discrepancy (ref: my letter to you of 28th October 2011) between the applicant address details and the address details of your company as outlined on the Company's Registration Office website. This discrepancy still remains despite the Agency receiving a letter on 11th November 2011 from O'Dowd Solicitors on your behalf stating that a register change had been lodged with the Companies Registration Office.

I am to further advise that the information dated 25th October 2011 has now been posted to the Agency's website and the Agency will be in contact with you in due course to request further information/clarification with regard to your application for a waste licence.

Yours sincerely

Ana Bolger
Programme Officer
Environmental Licensing Programme
Office of Climate Licensing & Resource Use
