re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Ms Rooney,

I am to refer to the above referenced application for a waste licence relating to a facility at Hollywood Great, Nags Head, The Naul, County Dublin. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 and Article 13 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the Regulations, to take the steps and supply the information detailed below:

#### **ARTICLE 12 COMPLIANCE REQUIREMENTS**

1. With reference to the disposal activities selected from the Third Schedule of the Waste Management Acts 1996 to 2011, and the text "this activity relates to the deposition of inert material" in attachment B.7.5, explain further the relevance of class D1 to the proposed waste activities at the facility. State whether any part of the existing or proposed landfill is not "specially engineered landfill" according to class D5.
2. Explain the relevance of class R4 – recycling/reclamation of metals and metal compounds – in the context of the stated intention to recover metal from wastes delivered to the facility. State what wastes will be processed for metal recovery.
3. With reference to the "active waste recovery area" and the "waste recovery activities" referred to in Figure D.2.1 and Table D.2.3 respectively of the application and shown as "inert recovery area" on drawing PP\_WLA\_14\_01, describe the nature and purpose of the waste activities proposed and the nature of waste to be accepted for such treatment.

Your reply to this notice should include a revised non-technical summary (Application Form and EIS) which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information in the form of a one original plus one copy in hardcopy format within 4 weeks of the date of this notice. In addition submit sixteen copies of the requested information to the Agency in electronic searchable PDF format on CD-ROM. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is W0129-03. Please direct all correspondence in relation to this matter to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, PO Box 3000, Johnstown Castle Estate, County Wexford*, quoting the register number.

Yours sincerely,

Brian Meaney  
Inspector  
Office of Climate, Licensing & Resource Use
