If you have a cold or flu this winter - remember - antibiotics just won't do.
Taking antibiotics when you don't need them is a waste, can harm your health and increases antibiotic resistance. Antibiotics are wasted on colds and flu.

Internal memo

19th July 2012

Mr. Declan Mulhare
P.E.H.O.

Waste Licence Application

Name & address of applicant: Glanpower Limited
19 High Street
Tullamore
Co. Offaly

Location of facility: Derryclure Energy Centre
Derryclure
Tullamore
Co. Offaly

Reference number: W0282-01

National Grid reference: E2351; N2202

Consent of competent owner required for any other use.

Comments:

I would recommend that any waste licence granted would include a requirement to monitor the following:

1. Noise levels from the proposed operation
2. Air quality at the proposed facility to include monitoring of dust, odour etc
3. Rodents and vermin at the proposed facility
4. All effluent including spills at the proposed facility
