Subject: Additional Information W0255-02

Eva,

Further to our phone conversation, waste activates have not yet started at the site. I would appreciate if you could let me know if the three year period, within which waste activities must begin before the licence expires, applies from the date the current licence (W0255-01) was issued, or from the date of issue of the revised licence (W0255-02).

Regards,
