Re: Waste Licence Application No. W0284-01 by O'Toole Composting Ltd for a facility at Ballinrane, Fenagh, Co. Carlow

A Chara,

I refer to the above-proposed waste licence application. Outlined below are the nature conservation recommendations of the Department of Arts, Heritage and the Gaeltacht for consideration by your Authority.

The Department does not wish to object, but suggests that a condition be attached to set up a monitoring programme to take water samples from un-named stream adjoining site. SUDS should suggest that roof / surface water be collected and used in any hosing operations if applicable.

Kindly forward any further information received; or in the event of a decision being made a copy of same should be forwarded to the following address as soon as it issues:

The Manager,
Development Applications Unit,
Department of Arts, Heritage and the Gaeltacht,
Newtown Road,
Wexford.

Alternatively, documentation associated with the above can be referred electronically to the DAU at the following address:

manager.dau@ahg.gov.ie

In addition, please acknowledge receipt of these observations by return.
