

Attachment C.1 Technical Competence and Site Management

Name	Position	Duties and Responsibilities	Experience /Qualifications
Martin Morrissey	Director	Managing Director	> 15 years experience in Waste Management
Michael Murphy	Director	Financial Director	10 years experience in Waste Management
Sean McGrath	Facility Manager	Facility Operation	> 15 years experience in Waste Management
Billy Healy	Transport Manager	Management of Logistics	10 years experience in Waste Management
Pat Cormack	Environmental Officer	Permitting & Reporting	6 years experience in Waste Management

Ormonde Organics will ensure that the site management and staff are provided with the appropriate training to ensure that the facility is managed in accordance with the Waste Licence conditions and in a manner that does not result in environmental pollution.

Attachment C.2 Environmental Management System (EMS)

The facility is certified to ISO 14001 Environmental Management System, ISO 9001 Quality System and OHSAS 18001 and copies of the Certificates are included in the EIS which accompanies the application. The EMS will be updated following the grant of the Waste Licence.

Attachment C.3 Hours of Operation

Composting Operation

Due to its nature, the biological treatment process is continuous, 24 hours a day 365 days a year. Wastes are normally accepted and finished product consigned between 0700 and 1900 hours Monday to Saturday.

Proposed Anaerobic Digestion Facility

Description	Hours
Proposed hours of operation	The biological treatment process will operate continuously, however under normal conditions staff will be present on site between 07:00 to 19:00 Mon-Sat.
Proposed hours of waste acceptance & handling	Waste acceptance 07:00 to 19:00 Mon-Sat including bank holidays. No deliveries on Sundays.
Proposed hours of construction & development works at the facility	The construction and commissioning will be phased over a 12 month period. The works will typically be carried out between the hours of 07:00 – 19:00 Monday to Friday and 07:00 – 17:00 on Saturdays. Normally, no works will take place on Sundays or Public holidays. The actual construction hours may vary depending on weather conditions and seasonality.
Any other relevant hours of operation expected	Not Applicable

Ormonde Organics requests that the Agency includes a provision for the amendment of the waste acceptance hours subject to the Agency's approval. This is to accommodate future customer requirements in relation to the timing of waste collection.

Attachment C.4 Conditioning Plan

A Conditioning Plan is not required.
