Re: Waste licence application W0254-01

Dear Mr Downes,

I refer to your letter dated 24 August 2012. I appreciate your concern regarding the time it has taken to process your licence application. I am aware that you have provided considerable additional information to the Agency on a number of occasions and I understand that the work on your application is at an advanced stage. Unfortunately, due to competing priorities, it will not be possible for the Agency's Environmental Licensing Programme to complete this work in 2012. Please be assured that your application will be dealt with in 2013 as resources allow.

Yours sincerely

Frank Clinton  
Programme Manager
