**Notice for the purposes of Article 16(3) of the Waste Management (Licensing) Regulations 2004 to 2011**

Dear Mr. O'Regan,

I refer to the review of your waste licence, which was initiated on 30 June 2011. I am to advise that in accordance with the provisions of Article 16(3) of the Waste Management (Licensing) Regulations 2004 to 2011, you are requested to supply the following additional information so that the Agency may complete a comprehensive assessment:

1. State the Licensee's name under the Companies Act and submit a copy of the Company's Registration Office (CRO) Certificate of Incorporation;
2. Clarify if there has been a change of name to the Licensee to whom the licence Register No. W0255-01 was issued. If so, please supply evidence of that name change i.e. a certificate of name change from the Companies Registration Office.
3. Please verify the location (Irish Grid Reference) of the facility's final discharge point (SW1) to the stream at the eastern boundary.
4. Please indicate whether any discharges to water have occurred to date.
5. Please indicate whether the licensable activity has commenced at the facility.

In the circumstances you should make immediate arrangements to have the required information (one signed original, one hardcopy and 2 copies on CD-ROM in electronic searchable PDF format) submitted to the Agency without delay.

Your response to this request should be directed to Ms. Dorota Richards, Programme Officer, Office of Climate, Licensing & Resource Use quoting the Register No. W0255-02.

Yours sincerely,

Ewa Babiarczyk  
Inspector  
Environmental Licensing Programme
