Re. W0195-02

Dear Mr Thornton

I refer to your letter dated 18 December 2012 in relation to your application to the Agency for a review of a waste licence for a facility at Kilmainhamwood, Co. Meath.

I appreciate your concern at the fact that the processing of your waste licence review application has not, as yet, been completed. This is a result of the current resourcing demands on the Agency. Your application will be assessed as a priority early in 2013 and we will endeavour to complete the process at the earliest possible time.

Yours sincerely

Frank Clinton
Programme Manager
