

## **Attachment J.1      Accident Prevention & Emergency Response**

Accident Prevention and Emergency Response Procedures have been prepared, in accordance with Conditions 9.1 and 9.2, which set out the measures that are in place to prevent accidents and the response actions that will be taken in the event of an emergency or incident, including measures to minimise the associated environmental impact.

The relevant Procedures are:

EP-ERP-01\_General Emergency Preparedness & Response  
EP-ERP-02\_Spill Clean Up Procedure  
EP-ERP-03\_Fire Explosion Procedure  
EP-ERP-04\_Malicious Damage Procedure  
EP-ERP-05\_Unforeseen Emergencies & Fugitive Emissions

Copies of the Procedures are in the 2011 AER which is in Attachment H1.
