Re: Notice of extension of period for consideration of an objection to the proposed determination on a review of an IPPC licence for Wellman International Limited located at Mullagh, Kells, Co. Meath.

Dear Mr Colthurst

I refer to the objection to the Agency's proposed determination on the above referenced review of an IPPC licence.

I am to notify you in accordance with the provisions of Article 40(1) of the Environmental Protection Agency (Licensing) Regulations, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objection before 4<sup>th</sup> June 2013.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,

Noeleen Keavey
