22/03/2013 re: Clashford Recovery Facility Limited (our Reg. No. W0265-01)

Dear Ms Conneely,

I refer to your letter dated 04/03/2013 received by the Agency 08/03/2013, regarding the status of Clashford Recovery Facility Limited's application for a Waste licence (Reg. No. W0265-01). Due to a large backlog of licence applications currently before the Agency, it has been necessary to prioritise the waste licence applications that will be dealt with in 2013. The application for Clashford Recovery Facility Limited (W0250-01) is not on our priority list for this year and will be attended to in 2014.

If you have any further queries please contact Mr Brian Meaney at the Agency's headquarters.

Yours sincerely,
