Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Ms. Mc Dennt

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Dear Mr. & Mrs. Martin

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Mr. Collbert

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Mr. Prendergast

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey
Programme Officer
Office of Climate, Licensing & Resource Use

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Mr. McGrath

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey
Programme Officer
Office of Climate, Licensing & Resource Use

Dear Mrs. Kelly

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey
Programme Officer
Office of Climate, Licensing & Resource Use

Dear Mr. Scandall

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Mr./Ms. Ryan

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Ms. Tutty

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Kildare County Council, for a facility at Silliot Hill Landfill, Silliot Hill and Brownstown, Co. Kildare.

Dear Mr. Mernagh

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey

Dear Mr. Healy

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0014-01.

If you have any further queries please contact the Office of Environmental Licensing.

Yours sincerely,

Noeleen Keavey
