Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Brownfield Restoration Ireland Limited, for a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Dear Ms Walton

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility, I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0204-01.

If you have any further queries, please contact the Office of Environmental Licensing.

Yours sincerely,

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Brownfield Restoration Ireland Limited, for a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Dear Walshe Family

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility, I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0204-01.

If you have any further queries, please contact the Office of Environmental Licensing.

Yours sincerely,

Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations regarding a Technical Amendment to a Waste Licence in the name of Brownfield Restoration Ireland Limited, for a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Dear Ms/Mr Greene/O'Reilly

I am to refer to previous correspondence when the Agency informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility, I now wish to inform you that the Agency has initiated a Technical Amendment, under Section 42(B)1 of the Waste Management Acts to their existing licence for the above mentioned facility.

Please find enclosed a copy of the formal Technical Amendment which was issued to the above licensee. The Technical Amendment should be read in conjunction with the existing Waste Licence Reg. No. W0204-01.

If you have any further queries, please contact the Office of Environmental Licensing.

Yours sincerely,
