Question

Confirm whether the 2 pump stations referenced in the Non-Technical Summary (serving small clusters of houses) are under the control of Cork County Council and form part of the Clondulane waste water works.

Your reply to this notice should include a revised non-technical summary which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction.
