Dear Mr. Hamill,

I refer to your application for an IPPC licence, which was received on 12 March 2010 and the Agency's notification to you on 18 January 2013 under Section 87 (11)(b) of the EPA Acts, as amended, requesting you to submit an Environmental Impact Statement (EIS) within three months.

I also refer to your letters, received on 11 February 2013 and 13 February 2013, seeking an extension of nine months to submit the EIS.

Please be advised that the additional period you propose for the submission of the EIS is not to the satisfaction of the Agency. Therefore, you are requested to submit the EIS on or before 16 July 2013. You are reminded that if you fail to submit an EIS by this date, or any additional period as may be specified by the Agency, the application for a licence shall be deemed withdrawn.

Please note that all other requirements of the Section 87(11)(b) notification, issued to you on 18 January 2013 still apply.

Yours sincerely,

Máire Buckley
