Subject: Licence Application Reg. No. W0254-01 - Request for clarification of the licensee's address

Conor,

It has been noted that the licensee's address given in the licence application is different to the address associated with the licensee's CRO number 79451 given on the CRO's website (www.cro.ie).

I would be grateful if you could explain why the two locations are different. Has the licensee moved to a new location?

Also, could you please state the licensee's address associated with CRO number 79451?

Thank you,
Ewa Babiarczyk
